

Mountainside Middle School Student Directory Information Release

Mountainside Student Directory: Your family information will only be listed in the MMS directory **if you indicate your permission on the district Student Release form.**

The Student Release Form gives you the option to withhold your consent to release directory information. If you check the box indicating “I DO NOT Give Consent” then your family will not be listed in the directory! If you want to be included in our directory, DO NOT withhold your consent!

To be included in the MMS directory, do not check the “opt out” box listed under Permission to Release Student Directory Information of the Student Release Form.
