

The "SafeHome" Pledge: I Pledge to Provide a SafeHome. . .

1. I will not serve alcohol or other drugs to minors, nor will I allow minors to consume alcohol or other drugs in my home or on my property.

ARS 4-244.9 states that it is a Class 1 Misdemeanor (the highest) for any person to supply alcohol to anyone under the age of 21. The penalties are up to \$2500 in fines and/or six months in jail. A person is civilly responsible for the actions of the person to whom you've supplied alcohol. In addition, Arizona legislation allows the suspension of the driver's license of adults who provide access to alcohol to underage persons. (ARS 4-241.G)

2. I will monitor alcohol and over-the-counter/prescription drugs that are in my home and provide a secure storage place for alcohol and drugs as well as all forms of firearms.
3. I will be a visible chaperone if my teen gives a party and will not allow underage drinking, drug use, or unsupervised parties in my home.
4. I wish to be contacted by any parent who personally observes my child using or under the influence of alcohol or other drugs.
5. I will try to communicate with any "SafeHome" parent of a child whom I personally observe using or under the influence of alcohol or other drugs.
