Dear Parents:

We hope the start of the year has gone smoothly for you and your family. As you are aware, the District has changed the website which links the schools with the District. To ensure the new website is meeting all of your needs, we'd like your feedback.

Are you able to access your child's SchoolFusion account with ease? Are you aware you can have your own account and can view the "My Family" link that gives you access to all your students' web pages and school information? If you haven't used School Fusion before, or have questions about it, please view the attached flyer for more information about this important resource for parents.

Please contact us at www.SUSDCommunications@susd.org with your positive comments, or with your concerns and/or questions.

Sincerely,

The SUSD Communications Department
