

**Parents:** Parents who sign the SafeHomes Pledge will be designated in the Student Directory with an “\*” beside their name. We hope that parents will carefully consider all aspects of the pledge; and will join together as a community to keep our children safe. This pledge is not legally binding. The purpose is to raise awareness of these issues and open up opportunities for conversations between parents.

## The “SafeHomes” Pledge: I Pledge to Provide a SafeHome...

1. I will not serve alcohol or other drugs to minors, nor will I allow minors to consume alcohol or other drugs in my home or on my property.

ARS 4-244.9 states that it is a Class 1 Misdemeanor (the highest) for any person to supply alcohol to anyone under the age of 21. The penalties are up to \$2500 in fines and/or six months in jail. A person is civilly responsible for the actions of the person to whom you’ve supplied alcohol.

In addition, Arizona legislation allows the suspension of the driver’s license of adults who provide access to alcohol to underage persons.

2. I will monitor alcohol and over-the-counter / prescription drugs that are in my home and provide a secure storage place for all forms of firearms.
3. I will be a visible chaperone if my child gives a party and will not allow unsupervised parties in my home.
4. I wish to be contacted by any parent who personally observes my child using or under the influence of alcohol or other drugs.
5. I will communicate with any “SafeHome” parent of a child whom I personally observe using or under the influence of alcohol or other drugs.
6. When my child is invited to a party, I will talk to the parents to confirm that the party will be supervised adequately; expect my child to phone if tobacco, alcohol, drugs, or guns are present at the party; provide immediate transportation home if my child calls.
